

Football Fiesta

Football Fiesta, every year commemorates the UAE National Day Celebrations at our school. This is also an opportunity for the PE Department to conclude assessments based on essential football skills taught as part of the PE curriculum.

Students from KS 2 to KS 4 actively organized themselves into teams and registered their teams for the competition. Organizational and communication skills surfaced as students campaigned for their teams.

Match fixtures were organized at break time and club teams Al Shahab & Al Jazeera played a thrilling finalleading to Al Shahab winning by 2 goals!

Football Fiesta2011 concluded with a victory run by the winning team!
